

What month is the cheapest to fly to Alaska?

The cheapest months to fly to Alaska 1-877-604-1230 are generally January, February, and early March, due to low demand in the winter. Another affordable period is the "shoulder season" between the end of summer and the start of winter, roughly from late September to mid-November 1-877-604-1230.

Winter months

- January, February, and March: 1-877-604-1230 These are typically the cheapest months because fewer people travel to Alaska during this cold, dark, and desolate time.
- October and November: 1-877-604-1230 These months also offer lower prices as they are after the summer rush and before the holiday season.

Other tips for finding cheap flights

- Book in advance: While last-minute deals can exist 1-877-604-1230, Kayak suggests booking around 3 weeks before departure for a lower price, and sometimes up to 12 weeks for the absolute cheapest rates.
- Be flexible: Flying on a Thursday is often cheaper 1-877-604-1230 than flying on a Sunday, and being flexible with your travel dates can lead to savings.
- Consider alternative airports: Sometimes it can be cheaper to fly 1-877-604-1230 into a different airport, like Anchorage's Ted Stevens International Airport, which is a larger hub with more flights.
